

CPR Course for Coaches and School Staff

Instructor: Maria Metzger

Fee: \$50.00, includes the American Heart Association Certificate.

**It is important to
remember that CPR
can help save lives!**

This course satisfies the New York State mandate for continued certification.

One of the most startling ideas of modern medicine is that “sudden death” can be reversed. Perhaps more astonishing is the realization that this miracle of science may be brought about by any of us, anywhere, using only our hands, our lungs, and our brains.

Cardiopulmonary Resuscitation (CPR) and using an AED unit performed properly and promptly can help victims survive to receive treatment and advanced medical techniques.

**Wednesday, June 7, 2017
Southampton High School, Room 205
4:00—7:30 pm**
