

**ANNOUNCING:
Google Classroom: Beyond the Basics**

Instructor: Leslie Brophy

Cost: \$125 (1 in-service credit) \$40 (Audit)

Dates: February 4, 2020 (one meeting face to face) online ends March 10

Where: Room 205, Southampton High School

Time: 4:00 p.m.

Course Description

This course will guide participants beyond the basic features of Google Classroom to use it to enhance their teaching. Strategies for communication, organization, differentiating instruction, and assessments using the features of Google Classroom will be explored. Specific instructions for integrating Google Classroom with other Google products, as well as, educational extensions and apps will also be shared.
