

NYS Students with Disabilities Certification Extension Coursework

This 45-hour online series of state-approved coursework is only for teachers with current 1-6 grade SWD certification and at least 3 years experience teaching grades 5 or 6 who wish to apply for a 7-8 grade SWD Extension Certificate.

Coursework for the extension certificate includes three 15-hour subsets:

1. Knowledge of Students 2. Instructional Strategies 3. Professional Practice.

As each 15-hour subset progresses, class assignments will be compiled into a portfolio. The course portfolio will be reviewed by the facilitator at the completion of each subset and at the end of the coursework. Successful candidates applying for certification extension must meet proficiency criteria in all areas of each subset rubric.
