## Virtual FORUMS for Educators

Consortium educators from our 12 PTC districts will have the opportunity to meet virtually with other like-minded professionals to share ideas, strategies, tools, and techniques related to online/hybrid teaching in their respective disciplines and/or grade levels. Simply, log on to the Zoom (Passcode: PTC) of your choice at the designated time in the FORUM Calendar. Smaller targeted groups may be made in breakout rooms. All Forums will be from 7 to 8 pm. No charge for this activity! Register in MLP starting Wednesday June 17, 2020.
